

Search Process for Registered Reports

April 30, 2026

The following search string was used in Web of Science, April 2, 2026 in order to locate Registered Reports published since the end of Liu et al.'s (2025) review, April 1, 2023.

((TI=("registered report*") OR AB=("registered report*") OR AK=("registered report*")) AND SO=("Acta Psychologica" OR "Advances in Methods and Practices in Psychological Science" OR "Analyses of Social Issues and Public Policy" OR "Applied Cognitive Psychology" OR "Attention, Perception, and Psychophysics" OR "British Journal of Educational Psychology" OR "British Journal of Health Psychology" OR "British Journal of Psychology" OR "British Journal of Social Psychology" OR "Cognition and Emotion" OR "Cognitive Research: Principles and Implications" OR "Collabra" OR "Consciousness and Cognition" OR "Cortex" OR "Developmental Cognitive Neuroscience" OR "Developmental Science" OR "Discourse Processes" OR "Emerging Adulthood" OR "European Journal of Personality" OR "European Journal of Psychotraumatology" OR "Evolution and Human Behavior" OR "Experimental Psychology" OR "Frontiers in Psychology" OR "Infant and Child Development" OR "International Journal of Eating Disorders" OR "International Journal of Psychophysiology" OR "i-Perception" OR "Journal of Cognitive Psychology" OR "Journal of Experimental Social Psychology" OR "Journal of Neuropsychology" OR "Journal of Personality and Social Psychology" OR "Journal of Research in Personality" OR "Journal of the American Academy of Child and Adolescent Psychiatry" OR "Judgment and Decision Making" OR "Law and Human Behavior" OR "Legal and Criminological Psychology" OR "Memory" OR "Nature Human Behaviour" OR "Neuroscience of Consciousness" OR "Psychological Science" OR "Psychology & Health" OR "Psychology of Addictive Behaviors" OR "Psychology of Sport and Exercise" OR "Psychonomic Bulletin & Review" OR "Psychophysiology" OR "Quarterly Journal of Experimental Psychology" OR "Stress and Health")) AND DOP=(2023-04-02/2026-03-20)

The yielded 137 articles, 26 were excluded as follows:

- 13 were Stage 1 proposals
- 11 were non-empirical (e.g., editorials, tutorials, commentaries)
- 1 was preregistered
- 1 was a withdrawal notice

This left a total of 111 articles potentially eligible from this new search.
